## Primary Authority

Your route to trouble free local authority inspections in three easy steps!  
Yes, it really is as simple as 1,2,3!

1. Sign up to Primary Authority
2. Adopt the easy to follow Government backed NCB 'Assured Advice'.
3. Know that you are the right side of regulation.

That's the beauty of Primary Authority – we've done the hard work so you don't have to. All you have to do, is demonstrate to your EHO that you are following the guidance.

No more time spent trying to keep up with changes in regulation.

No doubt over whether you are interpreting those regulations correctly.

And no more hoping your EHO visit runs smoothly. Because by adopting NCB Assured Advice in your operation you'll know it can't go any other way. And if for any reason your EHO still isn't happy just point him or her in our direction.

Say goodbye to stressful EHO visits and hello to peace of mind.
