

dojo one™

Superfast countertop payments.

Built to last longer, print faster and serve better.

Long queues can be the sign of a bustling business. But they're not ideal for customers in a hurry.

With Dojo One working side by side with your EPOS, you can serve your customers faster than ever.

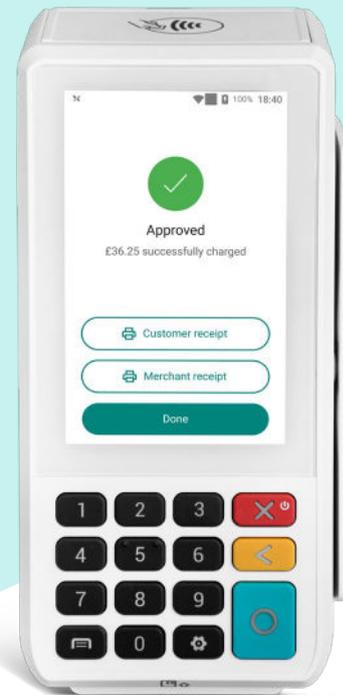

Robust, reliable and featuring an integrated printer for quick receipts, Dojo One is powered by a bulletproof ethernet connection for superfast transactions.

So your customers can spend more time choosing what they want, and less time queuing at the till.

dojo one™

Till payments at speed.

Stay connected, always

Make your transactions bulletproof. With reliable ethernet connectivity and lightning speed, your customers will be in and out in minutes.

Take payments seamlessly

Blink and you'll miss it. With Dojo One you can take till-side card payments 80% faster than the industry average.

Print receipts instantly

Keep up the pace. Dojo One comes with a built-in thermal printer for superfast receipts, so you can have shorter queues and easier returns.

Get paid, tomorrow

Get your takings from 10 am the next day, even on weekends and bank holidays. So there are no long waits to get paid.
